On the occasion of your retirement, I am sending you this personal message in recognition of long and effective service to your Government.

You have served your country loyally and faithfully for more than eleven years. This period includes service with the Department of Army and Veterans Administration as well as with this Agency. You can take just pride in the knowledge that the devotion and perseverance which you have displayed throughout your career have been consistent with the high ideals and traditions of Federal service.

It is regrettable that you are faced with the necessity of retiring from Government service at such an early age; however, along with your many friends here in the Agency, I extend best wishes for full enjoyment of the coming years.

Sincerely,

[Redacted]
